

SAGE Return Form

You should first print this form off and fully complete. Then, contact us either via telephone on 01977 681300 or via email to sageuk@guideflyfishing.co.uk. If contacting via telephone please ask for the SAGE service department. You will be asked for some details (these are on the form below marked with an * please have these ready). You will then be issued an authorised returns number (SOP). If contacting via email, attach a copy of this form to an email and subject **SAGE AR**. If you cannot scan the form, then you must include all information on the form within the body of the email. Do not return the rod until you have received an authorised returns number.

If you are returning a rod you must return the entire rod including the broken part(s) in its original tube or a cardboard tube. If you are returning a reel please return the reel in a box and without any fly line. Backing is acceptable.

Please include with your return this form fully completed and securely attached to your return. Your authorised returns number (beginning SOP) must be marked somewhere on the outer packaging. Warranty charges are as follows.

For all UK purchased Rods/Blanks/Reel with warranty or proof of purchase-£45

For non UK purchased rods or no warranty/proof of purchase £75 per section. Payable to: Guide Flyfishing Limited. (Please see form for payment options).

Failure to follow any of these instructions will delay the processing of your return.

Ship your return by a secure method (Guide Flyfishing Limited cannot be held responsible for any returned items lost in transit, therefore please keep your shipping receipt as proof of postage).

**** Guide Flyfishing Limited reserves the right to alter the handling charges without notice.**
